* Report Cards*

Parents,

Report cards went home on last Friday, January 29th. If you have not received your child's report card, please contact the school immediately so that we can get you a copy of it. We want to ensure that all parents are always informed of their child's academic progress.

If you have not had a conference with your child's teacher now is the time to schedule it. We are conducting conferences over the phone, virtually, and face-to-face after the school day. We are working to meet your schedule so please schedule your conference as soon as possible.

Thanks, parents, for your continued support of our school!

Although we can't have a Black History program this year due to COVID, we are still celebrating Black History Month at OPE. Each morning we are learning facts about famous Black Americans and some classes are conducting Black History research projects. Make sure you ask your child what famous Black Americans they learned about each day!
